Barbados Rum Canvas: A Palette of Flavors

Uncover the true essence of Barbados rum: a harmonious marriage of column and pot still. The island's diverse distilling methods – from a myriad of vintage pot still styles and modern column stills – create a rich palette of rums. Learn how these unique expressions, much like a painter selects and blends colors, to craft rum masterpieces. This seminar will delve into the artistry of rum blending while giving the audience a chance to craft their own.

Guest Speaker: ADRIENNE STONER
